

## Conference "Vernacular Buddhism in Asia and Europe" May 4 – 6, 2023

Our conference invites you to look at the rich diversity of Buddhism from geographical, chronological, textual, contextual, structural, cultural, ritual, social, philosophical and pragmatic perspectives. We encourage topics that focus on Asian and also European and Western regions, taken separately or in comparison.

Organised by:

*Centre for Oriental Studies and Department of Estonian and Comparative Folklore – University of Tartu*  
*Institut für Religionswissenschaft – Universität Bern*
